<b>Responsorial Psalm</b>	Make a joyful noise to God, all the earth!

	Jesus speaks about being still alive even after his death. Mostly we find Jesus to be alive for us in the love of others.
	There is an energy of love that is connected to the energy of God, for God is love. This is the working of the Spirit of God alive in love, care, one compassion, and in all other good works.

**DID YOU KNOW**

OLV has become a hub of community activity. The church basement is the home of several self-help organizations. On Sunday night, Narcotics Anonymous (NA) meet, while on Monday, it's

Alcoholics Anonymous (AA), on Tuesday - Overeaters Anonymous (OA) and, on Thursday, Al-Anon/Alateen are in the basement. On Wednesday nights from September to May, La Chanterelle practice in the basement, while on Thursday nights, the Heart and Soul Gospel Choir practice in the church. On Saturday mornings, the youthful Irish Dancers practice in the basement. OLV is proud to be able to support and encourage these very dissimilar groups which, in their own ways, contribute to the health of our community.

### **A GREAT SUPPER**

This year's Spring Supper at OLV was a tremendous success, thanks to the efforts of so many people. This year, we made several changes; we provided a prime rib supper, changed our wine list and served individual tables. All the planned changes contributed to a wonderful evening with many commenting that it was our best supper ever. As everyone knows, these suppers take a lot of planning and hard work. It is important that the efforts of several individuals be recognized.

A special thanks to Bob Hodgson, not only for an outstanding job of cooking the prime rib, but also for his efforts in planning the evening, in particular mapping out a plan for the servers to serve the tables in the hall in a most timely and effective manner. Thanks to Susan Lemieux for co-ordinating the kitchen operations and food preparation, Babe St. Jean for the wonderful desserts, Ken Simpson for co-ordinating the bar operations, Gail and Lyall Campbell for the wine purchase, Ethel Pearson for ticket sales and Lyall Campbell for designing and printing the tickets.

And of course, heartfelt thanks to all servers, balloon sellers and to those who attended the supper and supported the event financially.

**MILK BAG PROJECT FOR HAITI-**

I am asking people to save milk bags (the outer printed bag) . These bags are cut into strips and put together to make sleeping mats for the people of Haiti, they are used as packing material to ship products and therefore there is no cost to ship the mats to Haiti. Insects and poisonous spiders do not like the plastic and will not hide in the mat. It takes 300 to 500 bags to make one mat. If you are interested in helping out please leave the bags at the entrance of the Church for pick up.
