**Food for Thought**

**Reading 1** Acts 10.25-26, 34-35, 44-48  
**Responsorial Psalm** The Lord has revealed his victory in the sight of the nations.  
**Reading II** 1 John 4.7-10  
**Gospel** John 15.9-17

Jesus' commands are not just our duty but our path to joy and love in life. The love he means us to have is the love that is welcoming, accepting and forgiving of others - lived out as best we can - in the love that joins his followers together.

Without this love, the following of Jesus is empty and dry. His way of life is not just taught but shown to us by the way he lived.

## ***MOTHER'S DAY PRAYER***

*God bless all the mothers all over the world  
Who have such a fine way of giving  
Their time and their love to their family and friends  
The kind that makes life worth living.  
God bless each one for the things that they do  
And the things that they say to help cheer us.  
And always, Dear God, keep them safe in your care  
So that they will always be near us.*

**HAPPY MOTHER'S DAY**

### **MONTHLY PRAYER INTENTIONS FROM THE ARCHBISHOP - MAY**

"That through the intercession of Mary, Christians living in secularized communities may become available to proclaim Jesus."

**Reflection on Social Issues:** The western world has known a long period of Christian society. Since the cultural revolution of the 1960's, the faith no longer holds pride of place in western society. It is sometimes difficult for us to present ourselves as believers and announce the important place Jesus Christ has in our lives. How can we learn to live as Christians in Quebec society today? How are we prepared to make a defense to anyone who asks [us] for a reason for the hope that is in [us]? (1 P 3, 15)

**Our Faith Response:** In the first centuries, the Church lived her life marginalized within society. For the first generation of believers, as for us today, the Faith is a source of comfort. The Gospel of Luke invites us to "read the signs of the times" which exhorts us to love and to understand the world we are a part of. Jesus watches over the faithful, protecting and strengthening us daily. In His priestly prayer in John's Gospel, Jesus sends us out into the world (John 17:18) as sheep among wolves. His intent is for us to be His witnesses. Like Mary, Star of the Gospel, how can I live within this secularized society and witness to my faith with confidence?

**Sunday 10 May 2015:** On this Mother's Day, I will take the time to go and visit my mother (if possible) and I will take the time this week to pray with Mary, star of evangelization, who leads us to Jesus.
