## Continuing our Path to Normalcy at Our Lady of Victory Church

Over the past few weeks, you will have noticed changes as we inch towards normalcy.

Seating spaces are now **1 meter apart** instead of 2 meters, in compliance with the new protocol. This allows for an increase in **seating capacity to 78** which includes volunteers.

As a result of the new seating arrangements, parishioners **will no longer** be required to reserve a seat by advising the secretary and will be able to choose their own seating upon arrival. There will no longer be a plan allocating seating for attendees.

The spots to sit in the pews are still marked with **a white ribbon**. However, a **single person** can only choose to sit at a single ribbon and **a couple** can only choose to sit at a double ribbon. **Triples** would sit in the chairs for three persons.

Another notable change is we now have a Cantor. Linda Raby has graciously accepted the role of Cantor. **Under the new protocol, only Linda is permitted to sing.**

In the short-term, **Ushers and Greeters** will be available to provide information on the new seating arrangements and to ensure compliance with masking, sanitation and contact tracing requirements.
