QR CODE ON COVER OF PARISH BULLETIN

The Gatineau Diocese has produced a QR Code for each parish, which you will find on the front cover of our bulletin for both parishes. For those of you familiar with QR Codes, go to your telephone/tablet QR icon, point it to one of the QR Codes on the paper bulletin and you will be immediately directed to the donate icon on our website. You will then be able to make an on-line donation.

Once you have access to this QR Code you will be asked to make your donation(s) to the church of your choice. A confirmation will be sent to you from the Diocese. Then the Diocese will send OLV Church a list of the donator(s), donation(s) and address which will be recorded so that an Income Tax Receipt can be sent to you in February.

Policy for the Protection of Children and Vulnerable Persons in the Archdiocese of Gatineau

For the sake of the little ones (Pr 31:9) ...protect minors and vulnerable adults

(The following item is further to the Diocesan messages that were published in the parish bulletins in April and May)

Oh no, it's confidential! **Confidentiality**, the fourth value in the Code of ethics.

We don't always realize how much damage is done when there is a breach of confidentiality. In this time of social media when financial institutions lose personal information, the protection of an individual's private information is paramount. Discretion goes beyond being a good quality, it is now an obligation. A person who speaks with the secretary, with the priest, who confides in a volunteer, expects that what she/he has shared will be respected and remain confidential. What if the secretary discovers in the baptismal records that a child's parents are not the ones, she/he thought they were, and he/she reveals that information! What if a person confides in a volunteer that they were abused as a child and that information gets out to the group of volunteers! Even the simplest type of personal data is confidential. If the person hasn't given permission to share it, it should not be communicated to others. During committee meetings when an individual parishioner or volunteer is being discussed, always ask yourself, is it necessary to name the person? To share their personal information? To reveal all the information we have? If it is absolutely necessary, share as little as possible. A breach of confidentiality is potentially very damaging. Think about it!

A Prayer for Fathers

God our Father, this weekend we will celebrate Father's Day.
You gave Jesus an earthly father, Joseph,
who cared for Him when He was a child.

We thank you for our fathers and grandfathers who care for us,
we ask you to bless all fathers and all who take the
place of fathers in caring for children.

We pray this in Jesus' name. **AMEN.**
