FATHER GREG'S LENTEN MESSAGE

What is truly wonderful in the parable of the Prodigal Son is the fact that the Father welcomes his son back unreservedly, with open arms, in spite of the hurt which the son has caused. Forgiveness here is stronger than form, love overcomes mixed motivation.

But does the son truly understand that for the father love is the sole motivation, no self-interest with him, no need to dominate; in other words, the father will never tire of forgiving his son.

How well this parable reflects our relationship with God the Father. God's forgiveness is always available to us, if we desire it. But how often do we take it for granted, how often do we repent and yet fail to respond to the grace we receive from the Father. How easy it is to repeat a formula without letting it sink into our hearts and bring about real contrition and real change. How often do we expect results without putting in the necessary effort, as if God is supposed to do it all for us. Like the son our motives are often mixed; we do want to be forgiven but we turn from the commitment forgiveness demands of us; we want to be reconciled with the Father, but we also want to do what we want, not what He asks of us, which seems so constricting to our freedom. But this just doesn't work, these two attitudes cannot be reconciled. We need to turn to the Father completely and see that His commandments are the only way to true reconciliation.

LENTEN TRETREAT

A Lenten Retreat (2 evenings) will be given by Msgr. Durocher Monday, April 7th and Tuesday, April 8th at 7 pm at St. Aloysius parish, 300 rue Abbé Murray, Gatineau. The theme of the Retreat "Thy Will be Done."

WHAT IS A RETREAT? A retreat can be an opportunity to get away from the stress and anxiety of daily life and spend time praying, reflecting, and deepening one's relationship with God. It can also be a time for renewal, as when Jesus takes the disciples away to spend some quality time with them, just Him and them together.

NOTE: Transportation from Our Lady of Victory church and St. Malachy church will be available to parishioners who wish to attend the Lenten Retreat. Parishioners should call either Linda Cameron at 819-986-8901 or Ellen Butler at 819-986-3860.

EXTERNAL DEBT AND ECOLOGICAL DEBT: WHO OWES WHO?

Peru is facing an ecological debt crisis as extractive industries, often foreign-owned, plunder its natural resources, harming the environment and human rights. These industries contribute to the unjust enrichment of the Global North at the expense of the Global South. Thus, as countries in the Global South incur financial debts that further impoverish them, they are owed a mounting ecological debt by the Global North that is never settled.

Our partners, CEAS and IBC, work closely with affected communities, advocating for justice and sustainable alternatives. This Lent, discover the work of CEAS and IBC by reading our [Mini-magazine](#) and watching our testimonial video at devp.org/lent.

Demanding fairer policies in Tunisia

Resource mismanagement and unfair international conditions trap Tunisia in debt. Development and Peace — Caritas Canada's partner, the Tunisian Economic Observatory (OTE), analyzes the country's debt policies, and informs Tunisians about economic issues, enabling them to demand fairer and more equitable policies to promote sustainable development that benefits everyone.
